Product Description

Dynamic sound meets sleek design in Coby's DVD938 home theater system, which includes a progressive scan DVD player plus a 5.1-channel home theater speaker system (subwoofer and five satellite speakers). The DVD player has built in USB/SD card slots for direct playback of your digital media library, and it also features an integrated Dolby Digital decoder, microphone inputs for karaoke, and digital AM/FM radio. The five full-range satellite speakers and subwoofer de... [More >>](#)
